INDEPENDENT AUDITORS' REPORT

Board of Directors Avivo and Subsidiaries Minneapolis, Minnesota

Report on the Audit of the Consolidated Financial Statements Opinion

We have audited the accompanying consolidated financial statements of Avivo and Subsidiaries (the organization) (a nonprofit organization), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Avivo and Subsidiaries as of December 31, 2021 and 2020, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Avivo and Subsidiaries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Avivo and Subsidiaries' ability to continue as a going concern for one year after the date the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

Board of Directors Avivo and Subsidiaries

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Avivo and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Avivo and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Other Legal and Regulatory Requirements

In accordance with *Government Auditing Standards*, we have also issued our report dated March 23, 2022, on our consideration of Avivo and Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Avivo and Subsidiaries' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Avivo and Subsidiaries' internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organizational Purpose

Avivo (the Organization) is a nonprofit organization whose mission is to increase well-being through recovery and career advancement while working to end homelessness. Annually, the Organization serves nearly 13,000 individuals and families through:

<u>Ending Homelessness</u> – Uniquely pairs housing and shelter services with medical care, treatment, employment services and training depending on the individual's needs to support people experiencing homelessness find housing, shelter and support in order to take their next best steps to stability and healthier well-being.

<u>Career Education and Employment Services</u> – Provides career training programs and job placement services for people with disabilities and other barriers to employment.

<u>Chemical and Mental Health</u> – Supports low-income men, women, and families in recovery through integrated, trauma-informed care-access, treatment, recovery support, and care coordination to help them achieve wellness and life-long recovery.

During 2020, Avivo Housing, LLC was formed and has the charitable purpose of providing transitional housing for individuals experiencing homelessness or at-risk homelessness who are participants in Avivo's recovery, career advancement or ending homelessness programs as they transition to permanent housing.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of Avivo, Avivo LLC, and HEART, Inc. All significant intercompany balances and transactions have been eliminated

Financial Statement Presentation

Net assets and revenues, gains, and losses are classified based on donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Resources over which the board of directors has discretionary control. Designated amounts represent amounts which the board has set aside for a particular purpose.

Net Assets With Donor Restrictions – Those resources subject to donor-imposed restrictions which will be satisfied by actions of the Organization or passage of time.

Cash and Cash Equivalents

For purposes of the consolidated statements of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are stated at net realizable value. The Organization provides an allowance for bad debts using the allowance method, which is based on management judgment considering historical information and specific payor limitations. Accounts past due are individually analyzed for collectibility. An allowance is provided for accounts when a significant pattern of uncollectibility has occurred. When all collection efforts have been exhausted, the accounts are written off against the related allowance.

Promises-to-Give (Pledges Receivable)

Unconditional promises-to-give are recognized in the period the promises are made. Conditional promises-to-give are recognized when the conditions on which they depend are substantially met, that is, when the conditional promise becomes unconditional. Pledges receivable at December 31, 2021 are expected to be received through 2022.

<u>Investments</u>

Investments are stated at fair value based on quoted market prices and consist of contributions received of shares of stock.

Leases

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets-operating and lease liability, and finance leases are included in ROU assets-financing and lease liability in the consolidated statements of financial position.

ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the statements of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use their incremental borrowing rate.

The Organization has elected not to separate nonlease components from lease components and instead account for each separate lease component and the nonlease component as a single lease component.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

All major expenditures for property and equipment that are over \$5,000 are capitalized at cost. Contributed items are recorded at fair market value at date of donation. Depreciation is calculated using the straight-line method over the estimated useful lives.

Charitable Remainder Unitrust

HEART, Inc. is party to a Trust Agreement for which they are the remainder beneficiary upon the death of the lead beneficiary. The interest in the charitable remainder unitrust is carried at fair value based on the life expectancy of lead beneficiary and the fair value of the trust assets.

Unemployment Trust

The Organization has an unemployment trust agreement for which they make contributions to cover future claims from former employees.

Asset Retirement Obligations

During 2020, the Organization owned buildings that contain asbestos floor tiles. At this time, the Organization had no plans to renovate or demolish these buildings. In accordance with standards relating to Accounting for Conditional Asset Retirement Obligations, the Organization accrued a liability for the fair value of future costs to remediate environmental hazards related to certain property. The Organization uses a future value rate assumption of 3% and discounted the estimate to present value using a risk-free rate of return of 3%. The potential environmental remediation liability is reported on the consolidated statements of financial position as an asset retirement obligation in the amount of \$124,475 at December 31, 2020. During 2021, an assessment was done on the building and no asbestos was present and the liability was removed. Therefore, as of December 31, 2021, there is no liability relating to asset retirement obligations.

Government Contracts

Conditional government grants and contract funds are recorded as revenue when earned. Revenue is earned when eligible expenditures, as defined in each contract, are made. Funds received but not yet earned are shown as Deferred Revenue. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such a review reduces expenditures allowable under these contracts, the Organization will record such disallowance at the time the final assessment is made. The Organization received federal and state grants of \$4,276,077 that have not been recognized at December 31, 2021 because qualifying expenditures have not yet been incurred.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions are recognized as revenue in the period received or unconditionally promised, whichever is earlier. They are recorded as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities and changes in net assets as net assets released from restrictions.

Program Service Fees

Program Service Fees are reported at the amount that reflects the consideration to which the Organization expects to be entitled in exchange for providing services to their program participants. These amounts are due from patients, third-party payors (including health insurers and government programs), and others and includes variable consideration for retrospective revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Organization bills the participants and third-party payors several days after the services are performed and/or participant is discharged from the program. Revenue is recognized as performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Organization believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation.

The Organization measures the performance obligation from admission into the program, or the commencement of an outpatient service, to the point when it is no longer required to provide services to that participant, which is generally at the time of discharge or completion of the program.

Functional Allocation of Expense

Salaries and related expenses are allocated based on time spent and program assignments. Occupancy and depreciation expenses are allocated based on direct program or support service usage. Other expenses, such as professional fees are directly identified to specific programs or administrative functions.

Risks and Uncertainties

Management uses estimates and assumptions in preparing the consolidated financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Federal Income Taxes

The Organization is classified as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, accordingly, is not subject to federal income taxes. As such, it is subject to federal and state income taxes on net unrelated business income.

The Organization follows the accounting standards for contingencies in evaluating uncertain tax positions and files as a tax-exempt organization. Should that status be challenged in the future, all years since inception could be subject to review by the Internal Revenue Service.

Fair Value Measurements

The Organization has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Financial assets and liabilities recorded on the consolidated statements of financial position are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities are valued using inputs that are unadjusted quoted prices in active markets accessible at the measurement date of identical financial assets and liabilities. The inputs include those traded on an active exchange, such as the New York Stock Exchange, as well as U.S. Treasury and other U.S. government and agency mortgage-backed securities that are traded by dealers or brokers in active over the-counter markets.

Level 2 – Financial assets and liabilities are valued using inputs quoted prices for similar assets, or inputs that are observable, either directly or indirectly for substantially the full term through corroboration with observable market data. Level 2 includes private collateralized mortgage obligations, municipal bonds, and corporate debt securities.

Level 3 – Financial assets and liabilities are valued using pricing inputs which are unobservable for the asset, inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset. Level 3 includes private equity, venture capital, hedge funds, and real estate.

The Organization has one Level 3 investment in its interest in the Charitable Remainder Unitrust that was valued at \$337,583 and \$317,314 at December 31, 2021 and 2020, respectively. There are no contributions to the unitrust and the value has changed based on the fair value calculation.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

The following table provides a summary of changes in fair value of the Level 3 financial asset, the Charitable Remainder Unitrust for the years ended December 31:

	 2021	 2020
Balance - Beginning of Year	\$ 317,314	\$ 310,437
Change in Fair Value of Trust	 20,269	 6,877
Balance - End of Year	\$ 337,583	\$ 317,314

Reclassifications

Certain reclassifications have been made in the 2020 financial statements to conform to classifications use in 2021. There was no effect on net assets previously reported.

Subsequent Events

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through March 23, 2022, the date the consolidated financial statements were available to be issued.

NOTE 2 CONCENTRATIONS

Significant Concentrations of Credit Risk

The Organization provides services primarily within the Twin Cities and surrounding communities. The amounts due for services provided are from individuals, substantially all of which are local residents or their third-party payors. In addition, accounts and pledges receivable are primarily from local residents, governments, or institutions.

Contributions

Two donors constituted approximately 26% and 31% of total contributions for the years ended December 31, 2021 and 2020, respectively.

Concentrations of Credit Risk Arising from Cash Deposits in Excess of Insured Limits

At various times during 2021 and 2020, the Organization held funds at a local financial institution in excess of federally insured limits.

NOTE 3 PROPERTY AND EQUIPMENT

The Organization owns the following as of December 31:

	2021	2020
Land	\$ 1,098,400	\$ 1,098,400
Buildings and Leasehold Improvements	18,605,937	17,140,386
Equipment and Furniture	2,490,230	2,372,817
Construction in Progress	22,667	
Total	22,217,234	20,611,603
Less: Accumulated Depreciation/Amortization	(8,343,061)	(7,177,020)
Property and Equipment, Net	\$ 13,874,173	\$ 13,434,583

Depreciation expense was \$1,173,941 and \$571,535 for the years ended December 31, 2021 and 2020, respectively.

NOTE 4 NOTES PAYABLE

During the fiscal year ending December 31, 2020, the Organization received a loan in the amount of \$3,198,857 to fund payroll, rent, utilities, and interest on mortgages and existing debt through the federal Paycheck Protection Program (the PPP Loan). The original loan agreement was written prior to the PPP Flexibility Act of 2020 and was due over 24 months deferred for six months. Subsequent to this, the law changed the loan deferral terms retroactively. The PPP Flexibility Act and subsequent regulations supersede the loan agreement. The PPP Loan bears interest at a fixed rate of 1.0% per annum, has a term of two years, and is unsecured and guaranteed by the U.S. Small Business Administration (SBA). Payment of principal and interest is deferred until the date on which the amount of forgiveness is remitted to the lender or, if the Organization fails to apply for forgiveness within 10 months after the covered period, then payment of principal and interest shall begin on that date. These amounts may be forgiven subject to compliance and approval based on the timing and use of these funds in accordance with the program. To the extent that all or part of the PPP Loan is not forgiven, the Organization will be required to pay interest on the PPP Loan at a rate of 1.0% per annum, principal and interest payments will be required through the maturity date in April 15, 2022. On June 8, 2021, the PPP Loan, including interest, was forgiven. The SBA may review funding eligibility and usage of funds for compliance with program requirements based on dollar thresholds and other factors. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; however, management is of the opinion that any review will not have a material adverse impact on the Organization's financial position.

Additionally during 2020, the Organization entered into three loan agreements to purchase three properties. Two of the loans entered into were with Greater Minnesota Housing Fund and the other loan was entered with the City of Minneapolis.

NOTE 4 NOTES PAYABLE (CONTINUED)

Notes payable consist of the following at December 31:

Description	2021		2020	
2017 tax-exempt revenue bond issued by the city of Landfall, monthly amounts including interest of 3.02%. Last principal and interest payments due 2034.	\$ 3,113,228	\$	3,314,650	
2018 tax exempt revenue bond issued by Minneapolis Community Development Agency, monthly amounts including interest of 4.06%. Last payment and all remaining principal and interest due 2038.	1,558,159		1,621,528	
Loan issued by the City of Minneapolis including interest of 3.75%. Payment of all principal and interest due 2045.	509,661	490,244		
Loan issued by the Greater Minnesota Housing Fund, monthly amounts including interest of 3.75%. Last payment and all remaining principal and interest due	4,379,359		4,448,000	
Loan issued by the Greater Minnesota Housing Fund, monthly amounts including interest of 3.75%. Last and all remaining principal and interest due 2035.	408,645		427,000	
PPP Loan - Forgiven on June 8, 2021			3,198,857	
Total	9,969,052		13,500,279	
Less: Portion Due Within One Year	(379,735)		(360,491)	
Less: Unamortized Issuance Costs, Net	 (291,473)		(282,396)	
Long-Term Portion	\$ 9,297,844	\$	12,857,392	

Each note is secured by certain land, buildings, and improvements.

The City of Minneapolis loan is an interest free loan of \$1,250,000 and is due in 2045. The loan was discounted at a rate of 3.75% and this resulted in the principal due of \$509,661 and \$490,244 as of December 31, 2021 and 2020, respectively, and the remaining is considered a donor-restricted contribution of \$740,339 and \$759,756 on the consolidated statements of activities as of December 31, 2021 and 2020, respectively.

NOTE 4 NOTES PAYABLE (CONTINUED)

Future principal payment amounts include payment due for debt outstanding at December 31, 2021, and amounts due under the expected refinancing. Principal payments required are as follows:

Year Ending December 31,	 Amount		
2022	\$ 379,735		
2023	393,083		
2024	406,545		
2025	421,276		
2026	436,143		
Thereafter	 7,932,270		
Total	\$ 9,969,052		

Effective August 8, 2017, the Organization entered into a promissory note with an original expiration date of July 31, 2019. Effective July 31, 2020, the Organization renewed the promissory note agreement. Available borrowings under the line of credit are \$1,000,000. Interest is payable monthly at the bank's index rate (3.25% at December 31, 2020). This promissory note is secured by all business assets. The note expired on July 31, 2021. At December 31, 2021 and 2020, there was \$-0- of borrowings on the note. Subsequent to year-end on February 18, 2022, the loan was renewed with a maturity date of July 31, 2022.

NOTE 5 LEASES

The Organization leases equipment as well as certain operating and office facilities for various terms under long-term, noncancelable lease agreements. The leases expire at various dates through 2023 and provide for renewal options up to three years. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases. Certain facility leases provide for increases in future minimum annual rental payments based on defined increases in the Consumer Price Index, subject to certain minimum increases. Also, the agreements generally require the Organization to pay real estate taxes, insurance, and repairs. The Organization does not have any covenants with these agreements or required to maintain certain financial ratios.

The following table provides quantitative information concerning the Organization's leases.

	 2021	 2020
Lease Cost:		
Operating Lease Cost	\$ 5,464,701	\$ 5,433,241
Amortization of Right-to-Use Asset	 (2,166,880)	(1,135,788)
Total Lease Cost	\$ 3,297,821	\$ 4,297,453
Weighted Average Remaining Lease Term - Operating		
Leases	3.4 Years	3.4 Years
Weighted Average Discount Rate - Operating Leases	3.0 %	3.0 %

NOTE 5 LEASES (CONTINUED)

A maturity analysis of annual undiscounted cash flows for lease liabilities as of December 31, 2021 is as follows:

	Operating			
Year Ending December 31,		Leases		
2022	\$ 1,007,233			
2023		723,533		
2024		827,361		
2025		606,616		
2026		560,673		
Thereafter		534,074		
Total		4,259,490		
Less: PV Discount		(961,669)		
Lease Liability	\$	3,297,821		

As of December 31, 2021, the Organization has an additional operating lease, primarily facility rental, that has not yet commenced of \$525,611. The operating lease will commence in fiscal year 2022 with lease term of 5 years.

NOTE 6 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of amounts for the following programs at December 31:

	 2021	 2020		
Ending Homelessness	\$ 657,285	\$ 508,806		
Career Education	284,879	231,415		
Chemical and Mental Health	80,000	289,955		
General Fundraising	800,558	954,223		
Charitable Remainder Unitrust	337,583	 317,314		
Total	\$ 2,160,305	\$ 2,301,713		

The General Fundraising line includes the donor-restricted contribution of \$740,339 and \$759,756 as of December 31, 2021 and 2020, respectively, relating to the City of Minneapolis interest free loan. See Note 4 for more details.

NOTE 6 NET ASSETS WITH DONOR RESTRICTIONS (CONTINUED)

Net assets with donor restrictions released from restriction related to the following programs for the years ended December 31:

	2021		2020	
Ending Homelessness	\$	665,021	\$	205,392
Employment Services		-		17,156
Career Education		385,536		218,720
Chemical and Mental Health		342,355		253,235
General Fundraising		56,265		312,407
Total	\$	1,449,177	\$	1,006,910

NOTE 7 PROGRAM FEE FOR SERVICE CONTRACT REVENUE

The Organization's program fee for services revenue is recognized over time according to the timing of transfer of services and is all from third-party payors. The total program fee for services revenue recognized for the years ended December 31, 2021, 2020 and 2019 was \$13,174,497, \$11,597,055, and \$9,613,417, respectively.

There is no contract revenue that is recognized at point in time.

NOTE 8 CONTRACT ASSETS

The Organization's contract assets consist of:

	2021		2020		2019
Accounts Receivable:	 		_		_
Program Fee for Service -					
Third Party Payor	\$ 1,477,111	;	\$ 1,053,633	\$	1,623,218
Accounts Receivables:					
(Nonexchange Transactions)	1,909,736		3,145,922		1,362,650
Total Accounts Receivables	\$ 3,386,847	_;	\$ 4,199,555	\$	2,985,868

NOTE 9 EMPLOYEE RETIREMENT PLAN

The Organization maintains a 401(k) retirement plan for employees. Employees are allowed to make voluntary contributions immediately after six months of employment. The Organization has the ability to make discretionary matches to the 401(k) but did not make discretionary contributions for the years ended December 31, 2021 and 2020. Additionally, the Organization makes an annual 3.5% nondiscretionary safe harbor payment. During fiscal year 2020, as a result of the Coronavirus pandemic, the plan was only active for the first three months of the year and was reactivated effective January 1, 2021. The total expense for the years ended December 31, 2021 and 2020 was \$408,039 and \$93,522, respectively.

NOTE 10 CONTINGENCIES

In the normal course of business, the Organization has claims made against it. As of December 31, 2021, the amount and likelihood of loss is not determined. The Organization believes these claims are without merit and intends to vigorously defend the matters.

NOTE 11 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following as of December 31:

	2021	1	202	20
Cash and Cash Equivalents Less: Restricted for	\$ 5,389,050		\$ 6,756,559	
Debt Service	(549,300)		(949,700)	
Less: Restricted for Purpose	(1,822,722)		(1,984,399)	
Cash and Cash Equivalents				
Available Within Year		\$ 3,017,028		\$ 3,822,460
Accounts Receivable		3,386,847		4,199,555
Pledges Receivable	366,000		166,744	
Less: Restricted for Purpose	(156,000)		(156,000)	
Pledges Receivable				
Available Within Year	_	210,000		10,744
Total	=	\$ 6,613,875		\$ 8,032,759

As more fully described in Note 4, the Organization also has committed lines of credit in the amount of \$1,000,000, which it could draw upon in the event of an unanticipated liquidity need. The Organization regularly monitors liquidity to meet its operating needs and other contractual commitments. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing mission-related activities as well as the conduct of services undertaken to support those activities to be general expenditures.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Avivo and Subsidiaries Minneapolis, Minnesota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the consolidated financial statements of Avivo and Subsidiaries, as of and for the year ended December 31, 2021, and the related notes to the consolidated financial statements, which collectively comprise the Avivo and Subsidiaries' basic financial statements, and have issued our report thereon dated March 23, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Avivo and Subsidiaries' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Avivo and Subsidiaries' internal control. Accordingly, we do not express an opinion on the effectiveness of Avivo and Subsidiaries' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Avivo and Subsidiaries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Avivo and Subsidiaries Minneapolis, Minnesota

Report on Compliance for Each Major Federal Program Opinion on Each Major Federal Program

We have audited Avivo and Subsidiaries' compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Avivo and Subsidiaries' major federal programs for the year ended December 31, 2021. Avivo and Subsidiaries' major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Avivo and Subsidiaries complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Avivo and Subsidiaries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Avivo and Subsidiaries' compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Avivo and Subsidiaries' federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Avivo and Subsidiaries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Avivo and Subsidiaries' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding Avivo and Subsidiaries' compliance with the
 compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of Avivo and Subsidiaries' internal control over compliance relevant to
 the audit in order to design audit procedures that are appropriate in the circumstances and to
 test and report on internal control over compliance in accordance with the Uniform Guidance,
 but not for the purpose of expressing an opinion on the effectiveness of Avivo and Subsidiaries'
 internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors Avivo and Subsidiaries

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of Avivo and Subsidiaries as of and for the year ended December 31, 2021, and have issued our report thereon dated March 23, 2022, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

AVIVO AND SUBSIDIARIES NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS DECEMBER 31, 2021

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the Organization under programs of the federal government for the year ended December 31, 2021. The information in this Schedule is presented in accordance with the requirements of 2 CFR Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance for all awards with the exception of Assistance Listing 21.019, which follows criteria determined by the Department of Treasury for allowability of costs. Under these principles, certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 SUBRECIPIENTS

The Organization did not have any subrecipients in 2021.
