

Welcome to Avivo Family and Employment Services

At Avivo, we believe that everyone deserves the chance to **live well and work well**. We will support your goals related to economic independence, such as finding a job, increasing your education, acquiring a credential, or increasing your skills.

We believe that everyone deserves the tools to be well – to be healthy, and economically and socially well, and that the journey to economic self-sufficiency is like crossing a bridge. EMPATH’s Bridge to Self-Sufficiency® is held up by five major pillars which are all inter-related, and all equally important.

Family Stability		Well-Being		Financial		Education	Employment
Housing	Family	Physical and Mental Health	Networks	Debts	Savings	Education	Employment
Having a safe, affordable, stable place to call home	Making sure that your children’s needs are met so you can focus on your goals	Feeling physically and emotionally healthy so you can participate fully in work, school, and/or family	Having people in your life who give you personal support, and who also have the knowledge and connections to help you achieve your goals	Being up-to-date on any debt payments, and having a strong credit score	Having enough money in the bank to meet your family’s needs and afford more than the basics	Having enough education and training so that you can choose a well-paying and satisfying career	Being employed in a career that pays enough so that you can support your family

Avivo staff will work in partnership with you to:

- Assess where you are on the Bridge to Self-Sufficiency, and where you want to be.
- Assist you in prioritizing the areas that are most important for you and your family.
- Help you develop specific goals that will assist you in moving toward self-sufficiency.
- Connect you with resources that will support your journey.
- Celebrate your successes and steps along the way!

Mission: Avivo increases well-being through recovery and career advancement while working to end homelessness.
