

Avivo Night of Champions is an annual fundraising event that recognizes champions – individuals and groups whose remarkable achievements inspire all of us to be better – who are helping advance Avivo’s mission. Guests are inspired to invest in Avivo and ensure everyone deserves the chance to live well and work well.

Held at a Twin Cities’ historic location – The Depot Minneapolis, guests enjoy happy hour, a silent auction, inspirational speakers, wonderful entertainment, a delicious plated meal, heartening program, and the opportunity to support Avivo’s amazing work. In addition to unique Sponsor Benefits below, event sponsors participate in the event VIP experience that includes a pre-event reception with wine, beer, soft drinks and appetizers.
